11 - Month Certificate of Deposit

Rate Information – You will be paid the disclosed rate until first maturity.

Compounding frequency – Interest will be compounded every three months unless withdrawn.

Crediting frequency - Interest will be credited to your account every three months.

Effect of closing an account – If you close your account before interest is credited, you will not receive the accrued interest.

Minimum Balance Requirement – You must make a minimum deposit to open this account of \$1,000.00.

Minimum Balance to obtain the annual percentage yield disclosed – You must maintain a minimum balance of \$1,000.00 on a daily basis to earn the annual percentage yield disclosed.

Daily balance computation method - We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day.

Accrual of interest on noncash deposits - Interest begins to accrue on the business day you deposit any noncash items (for example, checks).

Transaction limitations - You may not make any deposits into your account before maturity.

Withdrawals of Interest - You may withdrawal interest credited during the term in which it was credited without penalty.

Early withdrawal penalties – A penalty may be imposed for withdrawals before maturity. If we consent to a request for a withdrawal that is otherwise not permitted you may have a penalty. The penalty will be an amount equal to 90 days interest on the amount withdrawn.

Automatically renewable time account - This account will automatically renew at maturity. Each renewal term will be a 12-month term, beginning on the maturity date, unless we notify you in writing, before a maturity date, of a different term for renewal. You will have ten calendar days after maturity to withdraw the funds without a penalty.

You may prevent renewal if you withdraw the funds in the account at maturity or within the 10-day grace period or we receive written notice from you within the 10-day grace period after the maturity date that you do not want this account to automatically renew. If you prevent renewal, interest will not accrue after final maturity.

Interest earned during one term that is not withdrawn during or immediately after that term is added to principal for the renewal term.

The rate for each renewal term will be determined by us on or just before the renewal date. You may call us on or shortly before the maturity date and we can tell you what the interest rate will be for the next renewal term. We will remind you in advance of the renewal and tell you when the rate will be known for the renewal period.
